

Embargo No. 29

EMBARGO NO: 29

STATUS: CURRENT

FREQUENCIES AFFECTED:

800 MHz trunking channels*
Block 7, Group 2, Channels 27,67,107,147,187
Block 7, Group 4, Channels 37,77,117,157,197

SUBJECT: EMBARGO ON NEW ASSIGNMENTS

DATE OF EFFECT: 10 August 1998

COVERAGE: Within 150 kilometres of Melbourne GPO

TIME FRAME: Until Further Notice

INSTRUCTIONS: No new assignments are to be made within 150 kilometres of the Melbourne General Post Office in the following 800 MHz trunking channels*
Block 7, Group 2, Channels 27,67,107,147,187
Block 7, Group 4, Channels 37,77,117,157,197

REASONS: To enable the ACA to consider an appropriate means of licensing future use of this currently unencumbered radiofrequency spectrum.

COMMENTS: The 150 kilometre embargo zone reflects the need to preserve options for licensing within the Melbourne area.

* Refer to the Radiocommunications Assignment and Licensing Instruction LM8 Annex B4 for conversion of channel numbers to frequencies.

EMBARGO AUTHORISATION:

..... 7 August 1998
Barry Matson
Executive Manager
Spectrum Planning and Standards Group
Australian Communications Authority
