

Dear Presenters,

### New Program Block Commencing May 6, 2019.

Thank you all for such a great response to the new program block applications! Most time slots are already filled and confirmation emails will be sent this week so please keep an eye out.

All graduating presenters are starting this block on weekend and night slots so please make them welcome and offer a helping hand if needed.

Everyone has been doing a fabulous job using the reception diary for noting any changes for incoming presenters so please continue to check on arrival at the station. So helpful, thank you.

As usual, you must ensure that you have a designated and reliable fill-in presenter if you can't do your program and that you consider access issues. They must endeavour to present a program similar to your own genre. A list of contacts will be in everyone's communication folder at the station for you to use. In all cases of substitution please write in the diary and advise the Programming Coordinator.

We have had some great feedback regarding the quality of programs on Noosa FM and everyone should be congratulated on your commitment to continual improvement. Keep up the great work!

Don't forget if you have a great interview to promote it on the Noosa Fm website or Facebook.

### CBAA Annual Awards

Nominations are now open for the above awards so if you have saved a super fabulous program that would qualify for one of the categories, we encourage you to enter. Info on all the awards on offer can be found on [www.cbaa.org.au](http://www.cbaa.org.au) website. Please read the T&Cs carefully.
