Hi Sean and Mary,

Just a quick note to write down the outcome of a quick chat I had with Glenn Dunstan from RASA.

Glenn asked about my thoughts on his recent stream of emails, [REDACTED]

I said it's my expectation that he would re-engage with WIA to find a way forward. He said that he has been trying and has not received any response. I told him that I had said the same thing to Greg Kelly from the WIA yesterday, so it my expectation that it should now occur.

He also said that the survey, and the timing and method of release were explicitly supported by Greg Kelly.

I said it is not my role to adjudicate between quarrelling people, and I reiterated that the only way forward was to find a way to re-engage with WIA, otherwise we cannot finalise changes from the LCD reforms.
