Subject: FOR SIGNATURE Draft CIAs re Save Our Voices news reports [SEC=OFFICIAL]

FOR CLEARANCE AND SIGNATURE

Hi Rochelle,

Two draft CIAs have been prepared for your consideration – one each for WIN and Prime and cleared by Jenny, on the question of whether news reports on the Save Our Voices campaign complied with the impartiality provisions of the Commercial Television Industry Code of Practice 2015 (revised in 2018).

Each CIA recommends we commence an 'own motion' investigation.

The CIAs reference two news reports which can be accessed using the following links:

[WIN - broadcast 29 October 2020 \(Townsville\)](#)

[Prime - broadcast 5 November 2020 - \(Wagga Wagga\)](#)

If you have any problems with these links please let me know.

The correspondence referred to in the CIAs is attached to this email.

A copy has been placed in your in-tray.

Regards,

Antonny Ivancic
