Dear [REDACTED] and [REDACTED]

I am writing to let you know that the ACMA has written to regional television broadcasters, WIN, Prime and Southern Cross about some regional news reports covering the current issues facing regional television broadcasters.

The ACMA's interest is in understanding how those commercial television licensees, who are choosing to cover this content, are satisfying themselves that the relevant content complies with the impartiality requirements in the Commercial Television Industry Code of Practice 2015 (revised 2018) (the Code). As you will be aware, impartiality in news is an ongoing area of interest for the Authority.

Please contact me or Jenny Allen if you would like to discuss this issue further.

Yours sincerely,

Rochelle
