Hi Ainsleigh

We struck a deal late today after 4pm with what we are going to do .

HVCR have three shows they want to run live on 89.fm on a Saturday

They are running three shows

12pm to 3pm

3pm to 7pm

7pm till 12am

We are providing airtime from 12pm till 12am on Saturday for HVCR to run shows live.

To start with

They will be broadcasting from Their studios as their presenters know their equipment .

They have access to our on air ids, stings and so forth and will be broadcasting as

Hawkesbury gold on the air

The community will be able to phone in on our studio number and these presenters will answer as Hawkesbury gold.

We will be bringing these presenters up to speed on our studio as well so they have the option to use either studio.

[REDACTED]

We are also working together to bring both stations in line with each other to have a uniform sound in the community.

Regards

Jason

Dear Jason,

Hawkesbury Radio Communications Association (HRCA) have notified the ACMA that they will be providing content to Hawkesbury Valley Community Radio Association (HVCR), to be broadcast from HVCR's transmitter from 12pm to midnight on Saturday 19 September 2020. We understand this arrangement will continue for future Saturdays until HRCA's and HVCR's temporary community broadcasting licences expire.

We are interested in being informed of this and future co-operative arrangements.

Kind regards,
