Dear Mei-Lin,

Thank you for your email of 22 October, 2020 in which you request information about memberships and current programming under our TCBL

**Question 1: Please provide the number of members and volunteers including the number of those who live or spend a substantial amount of time in the Windsor RA1 licence area and showing the number of volunteers involved in presenting or producing live programming.**

<b>Total number of members</b>	95
Number of financial (voting) members (*1)	95
Number of members residing in licence area (*2)	66
<b>Total number of volunteers (*3 *4)</b>	56
Number of volunteers involved in presenting or producing a program	37 members, plus 10 volunteers (not members)

Notes: (1) All our members are voting members, provided they are financially current at the time a vote is taken. (2) Of the members not residing in the licence area, all except two (who are life members) live in an adjacent LGA (3) of the volunteers who aren't members but who are involved in presenting or producing programs, we are not including semi-regular contributors to a program as a "correspondent" but "correspondents" who report to every show are included. (4) everyone who has a job/role/function at the station, regardless of whether a member or not are counted as volunteers.

**Question 2: Please provide a copy of your most recent program schedule. That is, the programs that went to air during the week 12-18 October 2020. Please identify on the schedule whether a program is pre-recorded or live, whether the program has presenters, and whether the program is produced in the licence area or**

**elsewhere. For licensees that also stream their content online, we are only requesting information on programs you broadcast on 89.9fm.**

A program of our FM broadcasts for the week 12-18 October is attached. Note that it covers Thursday AM 00:01am until Saturday midday, for Hawkesbury Radio and then Saturday Midday until Saturday 23:59 on behalf of Hawkesbury Gold.

All of our FM Broadcasts are live to air, with live presenters, produced and broadcast from our studios in Windsor. None of our shows are pre-recorded, although we provide one show pre-recorded to two USA stations.

I hope this provides you the information you need. As always please feel free to contact me if anything is unclear or missing.

Yours sincerely,

Michael Kear
