Terrific start to the RRF today – thank you so much Nerida, Aung and Wei-Chung. Such a wide-ranging conversation, and thanks for all your kind words about the IIC and for reinforcing the importance of international sharing of best practice.

Andrea – excellent chairing, of course!

Please all note the dates for the IIC's International Regulators' Forum which will be on 1-2 November in Ottawa, hosted by the CRTC. Fingers crossed for an in-person event!

Best wishes to everyone

Amanda
