Hello Steve

Thank you for contacting the Australian Communications and Media Authority (ACMA).

I have now refreshed the ABN and the new name has been applied to Client ID 41389. As there was no ABN change no transfer form was required.

You can view the changes on the register of radiocommunications via the link below.

If you have any further questions please let me know.

Kind regards

Subject: Change of Licensee question

Hi ACMA Team,

I'm representing VRA Rescue NSW.

Our VRA Customer ID is 41389. VRA has recently undergone a name change.

All current VRA Apparatus Licences listed under Customer ID 41389 have the Licensee name of:

NSW Volunteer Rescue Association Inc

Our new name is:

VRA Rescue NSW Limited. ABN number remains the same - 68 767 393 968

Trading name change from Secretary to VRA ICT Committee is also required.

Can you please advise the appropriate form/method to make the above changes to all Apparatus Licences attached to Customer ID 41389.

VRA 'Fee Exempt status' still applies.

Yours sincerely

Steve Diekman
VRA ICT Committee
