5. The Code applies to Crystal's Gifted Psychics as a content service provider and a participant in a section of the telecommunications industry.
6. For the purposes of the Code, Crystal's Gifted Psychics is considered a "Content Supplier" as defined in clause 2.2, as the service supplied by Crystal's Gifted Psychics is a Mobile Premium Service (Premium SMS or MMS Service) supplied by way of a call to or from a Short Code with the prefix '199'.
7. On 9 September 2009, the ACMA commenced an investigation under section 510(1)(c) of the Act into whether Crystal's Gifted Psychics was acting in compliance with the Code.
8. The investigation results indicated, amongst other things, that Crystal's Gifted Psychics was in contravention of clause 3.1.2(d)(i) of the Code.
9. Crystal's Gifted Psychics contravened clause 3.1.2(d)(i) of the Code by failing to clearly and legibly state a customer helpline number in an advertisement for its mobile premium services published in the 22 July 2009 edition of the magazine 'Take 5'.
10. Based on the material before me, I am satisfied that Crystal's Gifted Psychics contravened clause 3.1.2(d)(i) of the Code by failing to state the customer helpline number in advertisements for its services.
