

Application for an exception from 400 MHz transition deadlines

Instructions for completion

- > For larger networks or systems with more than one licence, please attach an excel spreadsheet listing the licence numbers.
- > All sections must be completed, and all supporting documentation provided. Applications will be delayed if required documentation is not provided.

Where to send this form

Email the completed forms and any attachments to:
400MHzimplementation@acma.gov.au

Alternatively, you can post the form and any attachments to:

The Manager
400 MHz Implementation Team
Australian Communications and Media Authority
P O Box 78
Belconnen ACT 2616

Call 1300 850 115 for any enquiries.

Please print clearly. Forms that are illegible, unclear, or incomplete may be returned for clarification.

Applicant's details

Client number (if known)

Licence number

Name

SURNAME
GIVEN NAME

Organisation name (if applicable)

Contacts in your organisation for licensing inquiries

WORK TEL ()
MOBILE
EMAIL

ABN/ACN (if applicable)

Description of applicant's entity type (e.g., company, individual, government)

Description of applicant's main business activity (e.g., construction, mining, manufacturing)

Geographic charging area (high, medium, low, remote density area or area-wide)

Exception details

From which deadline requirement are you seeking an exception? (For example, narrowbanding, power reduction, migration, clearance, 10 MHz split.)

Explain why you require an exception from meeting the transition deadline. If more space is required, please attach separately.

Exception end date – what is the date you will transition?

Applicant's declaration

I hereby declare that the contents of this form are true and correct.

Note: Under section 137.1 of the *Criminal Code Act 1995*, it is an offence to knowingly provide false or misleading information to a Commonwealth entity.
