Hi [REDACTED]

Thanks for this draft. I have gone in and made some minor suggested edits. In so doing, I reviewed the [REDACTED] paper ([REDACTED] which will go to the same meeting. Most of the changes I have requested are to ensure that where the information (background) is comparable, we express it in similar terms across both papers for consistency.

I would like to review both papers again together before they are lodged if there is time.

Please let me know if you would like to discuss

Regards,
Rochelle

Rochelle,

As discussed, we are seeking to send a further notice to [REDACTED] in relation to our [REDACTED] investigation.

We have prepared an [Authority paper](#) and [Notice](#) for your clearance. The papers have been reviewed by LSD and we have adopted their suggested changes.

We have scheduled the paper to be considered at the 8 February Authority meeting, although if

it is does not need to be cleared by Autumn we could potentially have it moved to the 1 February meeting.
