[REDACTED] If the individual wants FSU to make the request on their behalf, then FSU will need to provide written consent from the individual. If the individual wishes to make their own request, they will need to provide a separate postal, e-mail or fax address for us to reply to. This is in line with information on our [FOI webpage](#).

We have also notified the OAIC of the surge of requests received by eSafety/ACMA and the background in relation to these requests.

We look forward to discussing further.

Kind regards
