## OFFICIAL:Sensitive

Hi Emilia,

The key SLPS point for this month is below. The second one I'm unsure whether Rachel would want to keep Shanyyn abreast of at this stage or not, so have included it for her to consider.

[REDACTED]

### Amateur radio assessors

- We have had an application to become an accredited assessor from a person who the previous Deed provider (the Australian Maritime College) removed from their list of assessors.
- We have provided an overview of the reasons why we understand they were removed from the role with the AMC, for the person's response.
- Flagging that, depending on the information provided, we may have our first significant refusal of assessor accreditation.

- I'll keep you updated as this progresses since, if we refuse it, I anticipate there'll be various complaints made, including to the Minister.

Kind regards,  
Anneke

Hi all,

Rachel has her monthly catchup with Shanyn next Tuesday 16 April, please through any discussion points for the meeting by 12pm Monday 15 April and I'll collate them for Rachel.

Thanks
