Anneke,

The university team have reviewed this request and advised that they do not support my offer to provide a briefing re [REDACTED]. I know this does not help but happy to take a call to discuss further.

Hi Dean,

Thanks for the discussion on Monday.

Really appreciate and would like to take you up on your offer to provide an overview of the AMC's interactions with [REDACTED] that led to your decision to terminate him as a volunteer with the university, in a form that you would be comfortable for the ACMA to use for purposes that might include providing the information to [REDACTED] for his response.

If you're able to provide something by mid-April that would be appreciated.

If you have any questions or concerns at any time, please reach out. I don't have your number, so mine is below.

Kind regards,
Anneke

Sorry for the delayed response, Dean. I was in training today and forgot to put on my out of office!

Is there a time on Monday that would suit you? I'm free from 10-11am or after 2pm.

Kind regards,
Anneke

Hi Anneke,

██████████ was terminated as a university volunteer, simple letter, wished him well etc.

Therefore, he was removed as an assessor.

The crux of the matter was ██████████ behaviour was not meeting our expectations (university) and the continued bullying of staff had to stop.

Happy to have a phone or teams catch up today?

Dean

Hi again,

We are seeking some information on the reasons for [REDACTED] removal from the AMC assessor role that you would be comfortable with us outlining in correspondence with [REDACTED]

Would you be able to share a copy of any official letter or correspondence with [REDACTED] that informed him of the reason/s why he was removed from the AMC assessor role, please?

Kind regards,
Anneke

Dear Anneke,

Apologies for the delay.

Referring to the attached email request for assessor information from (due by 31st January), the final list of Approved Assessors is attached.

He refused to speak politely to OMC staff.
