Hi [REDACTED],

Thank you for reaching out about the planned changes to the assessor scheme.

Your volunteer status with the AMC is a matter for you to discuss with the AMC.

Details of the accreditation scheme that will be in place from February 2024 will be outlined in our consultation on the matter, expected to be released in August 2023.

**Subject:** AR Assessors

Hi

I believe that I fall into the category of "Assessor" that may have been missed.

I was a WIA and AMC assessor until the AMC removed my "volunteer status", meaning That I could not perform assessments, not because of any assessment irregularities but because I kept asking hard questions about the validity of the service that they provided and pointing out the educational failures that they were perpetrating. I did ask that they inform you of this but they repeatedly failed to respond to my emails.

I would be most grateful if you would confirm this with the AMC and reinstate me to your list.

Kind Regards

[REDACTED]
