Subject CS0007417 - Onboard Terrybet to BetStop Production Environment

From [REDACTED]

To [REDACTED] support@terrybet.com.au; betstop+terrybet@betmakers.com;

Dear [REDACTED]

I hope this email finds you well.

I am writing to provide you with the necessary information for accessing the BetStop Production Environment as an outsourced platform provider for Terrybet.

Firstly, a dedicated tech user account has been created for Terrybet's account. The email address associated with this tech user account is betstop+terrybet@betmakers.com.

To access the BetStop Production Environment, please follow these steps:

- 1.Go to the Portal login page - <https://iwp.betstop.gov.au/> and click on the "Sign-in" button.
- 2.Set your password by using the "forgot password" feature.

3.Scan the enrolment QR code provided with your Authenticator App

Once logged in, you will be able to do the followings:

- .Register the IP addresses of your IT systems
- .Generate API keys for the Production Environment.

If you have any questions or issues, please do not hesitate to reach out to us.

Please note that this email has also been sent to Terrybet.

Kind regards,

[REDACTED]

Subject CS0007417 - Onboard Terrybet to BetStop Production Environment

From [REDACTED]

To [REDACTED] support@terrybet.com.au

Dear [REDACTED]

Thank you for returning the BetStop – the National Self-Exclusion Register™ Terms of Use Document.

We have successfully onboarded Terrybet to the BetStop Production Environment.

You should now be able to set your password in the Betting Industry Portal (<https://iwp.betstop.gov.au/>). Click "Sign-in", enter support@terrybet.com.au and use the "Forgot Password" feature to receive a link which you can use to set your password.

In order to login to the portal, you will also need to download an authenticator app for your mobile phone. We recommend one of the following:

Google Authenticator (Android / Apple)

Microsoft Authenticator (Android / Apple)

Okta Verify (Android / Apple)

Cisco Duo Mobile (Android / Apple)

Auth0 Guardian (Android / Apple)

The first time you enter your email and new password into the portal's Sign-in page, the Enrolment QR code will be displayed on the screen. Please scan this QR code with the Authenticator App in order to create the BetStop portal account on the App.

The Authenticator App generates a One-time Password (OTP) that changes every 30 seconds and is required to be entered on login.

Once logged into the online portal, you will be able to do the following:

Review and update business details and contact details

Add more users - Admin users, Finance (billing), Tech

Register the IP addresses of your IT systems
Generate API keys
Please feel free to contact us if you have any issues.

Kind regards,

[REDACTED]
