Good afternoon Alana,

For information, we haven't heard from the senate committee team as yet on whether the line area is allowed to share that document Senator Hanson-Young provided us at Senate Estimates with a third party. I have just followed up with the team, see email below.

I will keep you updated once I've heard back from them.

Kind regards,

Hi team,

Just following up on the below request. Could I please check on the progress of asking the Senator Hanson-Young's office about sharing with a third party, the document she provided us at Estimates in relation to the Kylie and Jackie O Show?

Thank you,

Kind regards,

Dear [REDACTED]

Thank you for taking my call earlier today in relation to the document that ACMA received from Senator Hanson-Young during Senate Estimates on Tuesday 5 November. The document contains comments and remarks from the Kyle and Jackie O Show.

I understand Senator Hanson-Young did not want the document tabled due to the contents mentioned. For ACMA to provide a response to Senator Hanson-Young's questions, we may need to share the document with a third party (the licensee). Noting she prefers the document not to be tabled, would it be possible if you or someone in the team could reach out to Senator Hanson-Young's office and confirm that she is happy for us to share the document?

Thank you,

Kind regards,
